

**AGREEMENT OF COOPERATION  
BETWEEN THE  
GREEK STATISTICAL INSTITUTE  
(ΕΛΛΗΝΙΚΟ ΣΤΑΤΙΣΤΙΚΟ ΙΝΣΤΙΤΟΥΤΟ)  
AND THE**

**ROMANIAN SOCIETY OF PROBABILITY AND STATISTICS  
(SOCIETATEA DE PROBABILITĂȚI ȘI STATISTICĂ DIN ROMÂNIA)**

On the basis of a mutual commitment to scientific advancement, to share academic knowledge and to establish and develop mutually beneficial academic contacts, the Romanian Society of Probability and Statistics and the Greek Statistical Institute agree to enter into this cooperation agreement, made as of the 26<sup>th</sup> of November 2019, for establishing a program of collaboration in areas of common interest beneficial to the members of both societies, according to the following general articles.

Article I.

The purposes of the cooperation is to promote interest in educational and research activities of common interest.

Article II.

To achieve the above goal each society may investigate opportunities in the following areas:

- promote the exchange of members (faculty members, students, etc.) of each society to participate in educational and/or research activities and professional development of the other;
- organize or co-organize symposia, conferences, workshops, short courses and meetings on research issues of common interest;
- carry out joint research and educational programs; and
- promote in general, academic collaboration.

Article III.

No specific financial commitment by either society is to be implied from this agreement. Each institute shall be responsible for expenses incurred by its members, under this agreement. Each society is willing to facilitate visiting members of the other society at its headquarters (e.g., by providing some reading/office space), under the agreement.

Article IV.

Upon approval by each society, this agreement shall remain in effect until **DECEMBER 31, 2021**, unless terminated in writing earlier, by either society. In such a case, neither society shall be liable to the other for any monetary or other losses which may occur. A renewal or an extension of this agreement of cooperation is possible upon agreement by both societies.
